

### PRODUCT No. 4941

#### Slowdown speed bump – end part

(Illustrative photograph)

#### Technical data

|          |        |
|----------|--------|
| Material | PVC    |
| Weight   | 5 kg   |
| Width    | 800 mm |
| Depth    | 150 mm |
| Height   | 52 mm  |

#### Attributes

- Made by hot pressing method of softened PVC.
- Traffic equipment to reduce vehicle speed.
- Each part is obtained with reflective elements and forms a black-yellow stripe when connected.
- Consists of continuous middle and end parts (type 4940 + 4941 + 3317).
- The semicircular locks together with the anchoring ensures a firm connection without the need for guide rods.
- Larger width (800 mm) of thresholds allows smoother crossing.
- Connection material is part of delivery (10x140 screw, 13 mm washer, 14x140 mm plug).

#### Color variations

- Black-yellow.

#### Product purpose

- Designed to reduce speed of vehicles.

#### Additions

- Connection material is included.
