Attributes

- Made of flexible vinyl (PVC).
- Crosswise ribbed for anti-skid protection in case of spilled oil.
- Provides a safe workplace as dirt falls through mats.
- Helps to reduce fatigue.
- Suitable for workplaces where oil is used.
- Tested according to DIN 4102 (B2).

Color variations

- Ribbs / edge – black / yellow.

Product purpose

- Designed for demanding operations to reduce fatigue due to long standing.

Additions

- Suitable for operations with oil contact.
