Attributes

According to the Civil Code, Act No. 262/2006 Coll., § 103 letter j), an employer is obliged to ensure the first aid provision. And so, each employer's obligation is to equip the workplace with a necessary number of first-aid boxes and to ensure their availability during all the working hours. At the moment there is not any legal regulation or another health standard in the Czech Republic as for the first-aid kit contents. The contents of the first-aid kits should be determined according to the risks arising from work activities and should be consulted with the organization contract doctor. The contents of first-aid kits have been designed with the help of rescue service experts and traumatological ward doctors and divided into individual specific workplaces according to the accident risk.

Health-care contents OFFICE is suitable for all office and administrative premises, reception offices and other workplaces with an ordinary rate of accident risk. The contents include a basic range of medical and bandage material to give first aid, put together on the basis of risks occurring in these workplaces.

Product purpose

- Designed as a first-aid content in offices and administration areas – type OFFICE.
